## YOUR DAILY DEVOTIONAL TIME CAN BE CONNECTED TO YOUR GROW TEAM.

At your weekly *GROW TEAM*, be prepared to share what the Holy Spirit has been speaking to you as you read the Word, journal, and spend time with the Lord in prayer.

Here are some questions that the *GROW TEAM* leader might ask during the small group:

1. What scripture did the Holy Spirit cause to stand out?
2. Why did it stand out?
3. What is the Lord speaking to others in the group about this Scripture?
4. Does the scripture or text raise up other questions that someone else might have a comment on?
5. What practical life application can you take from it?
6. Anyone else have another verse that the Holy Spirit caused to stand out in your quiet time with the Lord?

Remember that the purpose of this time is to bring practical application from the Word. Please refrain from divisive discussions on doctrinal issues. The Foursquare church uses the following model to guide Believers in healthy discussions.

In essentials – **UNITY**

In nonessentials – **LIBERTY**

In all things – **CHARITY**

Use this model to guide *GROW TEAM* discussions. The desire is to edify people, not to tear people down. To bring practical application from the Word into our daily lives.

By following the daily reading guide in this pamphlet, you will complete the entire Bible in one year. Use this to spend quality time in prayer with the Lord as well. Be sure to not only talk to the Lord, but also remember to listen for His voice to speak. He can speak to you through the reading of the Word.

Do not get legalistic in your devotional time. If you miss one day of reading, that's okay. If you get behind, just begin reading that day's reading and move forward from there.

Many people enjoy journaling about what the Holy Spirit has been speaking to them during their Word time. Here are some helpful suggestions on how to journal. It is based upon an acronym called: **S.O.A.P.**, which has been adapted from New Hope Foursquare Church's *Life Journal*.

**S** is for **SCRIPTURE**

Highlight or place a mark in the margin of your Bible next to the scriptures that stand out. When you are done, reread the verses you marked, look for one that particularly spoke to you and write it down.

**O** is for **OBSERVATION**

What do you think God is saying to you in this scripture? Ask the Holy Spirit to teach you and reveal Jesus to you. Paraphrase and write this scripture down in your own words in your journal.

**A** is for **APPLICATION**

Personalize what you have read by asking yourself how it applies to your life right now. Perhaps it is instruction, encouragement, revelation of a new promise, or corrections for a particular area of your life. Write how this scripture can apply to you today.

**P** is for **PRAYER**

This can be as simple as asking God to help you use this scripture, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say! Now, write it out.
